Dear Neighborhood Health Plan (NHP) Member:

To continue getting your care at Boston Medical Center, now is the time to switch from NHP to BMC HealthNet Plan. You can change to BMC HealthNet Plan between November 1 and December 15. BMC HealthNet Plan is our preferred health plan for Commonwealth Care and includes coverage for hospital stays, office visits, prescriptions, mental health, vision services, and some members also qualify for dental coverage. In addition, there's a 24-hour nurse advice line and discounts on memberships in Weight Watchers and fitness clubs.

It's easy to make the switch. Just follow these steps between November 1 and December 15.

1. Call the Commonwealth Care Insurance Connector at 1-877-623-6765.
2. Tell them you want to switch to BMC HealthNet Plan Commonwealth Care.

If you want to learn more about BMC HealthNet Plan Commonwealth Care benefits, call 1-800-792-4355.

Once you switch, your BMC HealthNet Plan Commonwealth Care membership will become effective January 1, 2008.

We hope you continue your care at Boston Medical Center.

Thank you.
